WHAT IF?! EP 21

FREE PRICE LIST (print me)
you commented FIXIT

Stark Repairs

Roadside repair, genius edition. Bring us anything with a wheel. It will come back with more than it left with. Price list below. The customer is always, technically, wrong.

SERVICE	PRICE
Flat tyre Any size. Any scooter.	**One arc reactor** installed, not optional
Rattle in the engine Full diagnostic by JARVIS	**Free** "Sir. It is a pebble."
Pebble removal Carried out by JARVIS, with ceremony	**One arc reactor** the same one, a bigger one
Flight mode Switches on at the first turn of the key	**Free** fuel extra. so much fuel
Queue management Forty tiny robots, one tidy line	**Free** they judge you quietly
Lollipop, from a robot One per customer. Do not ask for two.	**Free** flavour: whatever is left
Towing Cars, trucks, a bus (it was a bus)	**One robot** he did not even sweat
Welding mask formerly an Iron Man helmet	**Staff only** sorry, it looks great on him
Discounts Asked about by every customer. Daily.	**Not included** nor available. nor discussed.
Complaints Taken at the counter, thrown in the bin	**Genius** labour only

Your bill, in advance

Parts: **one arc reactor.** Labour: **genius.**
Customer's face on reading this: priceless.

Shop next door does it for thirty bucks. We know. We are not talking about the shop next door.
