WHAT IF?! EP 30

FREE PRINTABLE CONTRACT
you commented GOODBOY

Official Dog-Human Contract

Signed in paw print. Binding in every court that has a dog in the jury box. Read the clauses, sign with your thumb, and honour them. He has receipts.

AGREEMENT BETWEEN THE GOOD BOY (OR GIRL) AND THE HUMAN

1. **No fake throws.**
   When the arm goes back, the ball goes out. A fake throw is an offence. Penalty: one extra real throw, per fake, per day.

2. **Walks are the promised length.**
   "A long walk" does not mean once round the block. It means the long way, plus one sniff stop per lamp post.

3. **Cheese is shared.**
   Any cheese, pizza or chicken eaten in front of the dog must be shared at 50 per cent. "It's not for dogs" is not a defence.

4. **The bed is a joint tenancy.**
   The human may sleep on the edge. The dog may choose the edge.

5. **Settlements are paid in biscuits.**
   One biscuit per breach. Evidence may be eaten after the hearing.

6. **The cat is not a reliable witness.**
   She will push your coffee off the table. Do not blame the dog.
