Villains' Rota Cleaning Chart

Three villains. One flat. Zero clean plates. Stick it on the fridge. Tick a box when a chore is done (or when someone says it is).

DAY	THANOS	VADER	JOKER
MON	☐ **Dishes** Snap. Half the plates vanish. "Perfectly balanced."	☐ **Bins** Breathe quieter while doing it. "I find your noise disturbing."	☐ **Hoover** Define "clean" first. "A lie we tell the carpet."
TUE	☐ **Bathroom** Remove half the mould. "Fair. Impartial."	☐ **Sink** Unblock it. Do not Force-choke the plumber. "He had it coming."	☐ **Mop floors** Question the mop (briefly). "It stared back."
WED	☐ **Laundry** Fold. Do not snap the socks. "One of each. Balanced."	☐ **Windows** Wipe the inside. Stop staring out. "Looking for rebels."	☐ **Fridge** Bin the pizza. No, the OTHER pizza. "It is art now."
THU	☐ **Kitchen** Wipe surfaces. All of them. "I removed half. Close."	☐ **Quiet hours** Sleep without the breathing. Try. "Attempt 400."	☐ **Plates** Wash them. Do not "reimagine" them. "Plates are a construct."
FRI	☐ **Hallway** Clear the Stones from the shoe rack. "Not mine."	☐ **Bins (again)** Louder is not cleaner. "Wrong."	☐ **Shower** Drain the hair. Green is not a style. "It is a lifestyle."
SAT	☐ **Big bedroom** It is NOT needed for the master plan. "It is."	☐ **Big bedroom** Same. "Needed. Dark."	☐ **Big bedroom** Same. "Pillow fort. Plan."
SUN	☐ **Rest** No world domination today. "Tomorrow."	☐ **Rest** Talk to the landlord politely. "I am your tenant."	☐ **Rest** Do not tell the landlord about the pizza. "Ha. Ha."

Fine print A joke chore chart from the series WHAT IF?!, made for fun. Cartoon parody only. No villains were evicted. Wi-Fi was.

Fridge Magnets

Cut along the dashed lines and stick a magnet strip on the back. Slap the right excuse on the right villain at the right time.

THANOS

"I did the dishes."

Half the plates are gone. Perfectly balanced.

VADER

"I find your lack of washing disturbing."

JOKER

"What is clean?"

Just a lie we tell the mop.

MOP

"I have opinions."

Six weeks of them.

THANOS

"Snapped the bins."

Now they are half empty. Or half full.

VADER

"Breathing quieter."

Attempt 400 of 400. Failed.

JOKER

"Why so cleanly?"

Never touched the pizza plate.

ALL THREE

"Not my plate."

Said in unison. Plate stays.

LANDLORD

Wi-Fi: OFF

Everyone agrees to negotiate.

HOUSE RULES

1. Big bedroom is for sleeping, not master plans.
2. Nobody snaps anything in the kitchen.
3. If the mop looks at you, look away.

PUT ON THE FRIDGE

Tick off chores on page 1. If a villain says "done" and nothing changed, it counts as half. Perfectly balanced.

Fine print Parody only. Cartoon characters, made for fun.
